

# Kangaroo self storage

## **Two Months Before the Move...**

- Give notice to your landlord ahead of time if you're renting
- If you plan to use a removal and packing company, book well in advance to get the date that suits you for your move
- Contact all your service providers about your change of address; internet, phone, utilities, bank etc

 Book a storage unit if you need to

- If you plan to store with us and you need to hire a van, book our free 24hr van hire service with our partners, Enterprise\*
  - Register to vote at the new address
  - Inform your local council of the move so you won't have to pay council tax on your old address
  - Plan the furniture layout
  - Start planning to move your homeowner insurance to your new property
  - Consider if you need moving insurance to cover your possessions
  - Redirect mail with the Royal Mail
  - Arrange for childcare or pet-sitting on moving day, if needed
  - Start cleaning outside areas that may take a long time

- Let family and friends know you  
and/or unpack

- new address
  - Organise your TV licence
  - Register with a GP in your new area
  - Request time off work if you need it for moving day
  - Order boxes and packaging materials to keep your belongings organised and secure. We have a great box shop and you don't need to store to buy
  - Start packing

## One Week Before the Move...

  - Pack a bag of essentials for the whole family so you don't need to rummage through unpacked boxes on your first day in your new home
  - Consider if you need to change the locks on your new property and book a locksmith
  - Dismantle furniture and shelves
  - Take pictures of the back of your appliances and TV to make it easier to set up in your new home
  - Repair little things like scratches and marks
  - Take care of your car insurance
  - Finish packing so you don't leave it for last-minute

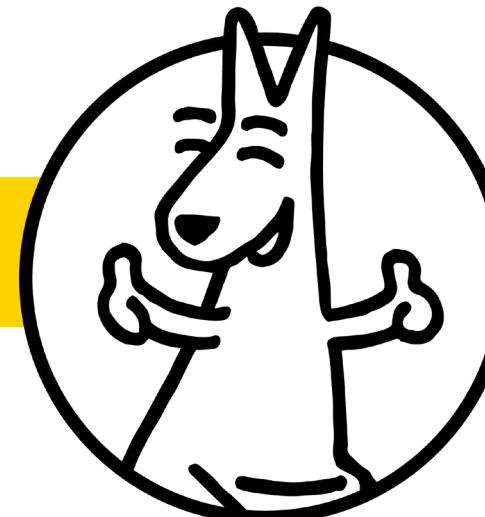

## 3 Days Before the Move...

  - Inform your friends and other family member of your new address

- Disconnect appliances you no longer need.
- Empty and defrost your freezer.

- to hand, ready to take to your new home
  - If you're using storage you might want to start moving things out of your current property and into storage now to make things easier on moving day

## MOVING DAY!

  - Make sure you have your phone, laptop and other valuables with you
  - Do a last check to see if you have everything
  - If you're renting, take pictures of the rooms to show the condition of the property
  - Secure all windows and doors
  - In your new home, make beds, charge phones, load up the fridge and make food

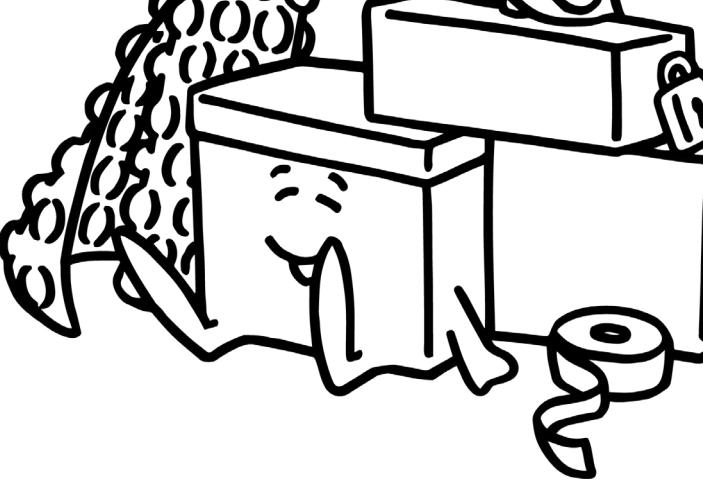

## **Two Weeks Before the Move...**

- Let family and friends know you may need help to move and/or unpack
- Change subscription services and schedule delivery date for new address
- Organise your TV licence
- Register with a GP in your new area
- Request time off work if you need it for moving day
- Order boxes and packaging materials to keep

your belongings organised and secure. We have a great box shop and you don't need to store to buy
